Nebraska

Registration Status: Geologist Regulation Act passed 1998

Effective Date: January 1, 1999

Exemptions: Researchers, exploration geologists and geotechnical engineers

ASBOG® Membership: Member Board

Update: In August 2016, the Board held its first Strategic Planning Session. Topics covered included updating the Board's Mission Statement, conducting Student Outreach, including creating materials for the promotion of licensure and engage them in the licensing process earlier; redesign of the Board's website to make more user and technological friendly; defining common practice areas and identifying other organizations and state agencies who might interact with individuals working in these; how members may continue or become more involved with ASBOG; and developing materials to be used in outreach to the public and promotion of professional development.

State Contact:

Name: Jean Lais
Title: Administrative Assistant
Address: Nebraska Board of Geologists
P. O. Box 94844
Lincoln, NE 68509-4844

Fax: (402) 471-0787
E-mail: nebog.board@nebraska.gov
Web site: www.nebog.nebraska.gov

Board Composition: Six professional geologists and one public member

Requirements:

Education: Geology degree with 30 semester hours or 45 quarter hours including five of seven core courses.

Experience: Five years

Examination: ASBOG®

First ASBOG® Exam: September 2000

Continuing Education: None

Grandfathering: Ended December 31, 1999

Cooperative Licensure - (Comity/Reciprocity): Nebraska will accept licensure application by reciprocity/comity. The applicant must meet Nebraska's education, examination, and experience requirements. An applicant may be granted a waiver of the education and/or examination requirements if the individual has been licensed continuously in good standing since December 31, 1999, or have fifteen (15) years of licensed experience. Please refer to the Board's website for more details.
