Phoenix, AZ 85007

**Board Composition:** Nine members; includes two architects, three engineers, one landscape architect, one land surveyor, one

geologist and one public member

**Requirements:** 

Education: Arizona has a two-stage registration process. To qualify for the in-training examination, a candidate must

have four years of education and/or experience in the practice of geology, acceptable to the Board. To qualify for the registration examination, a candidate must have five years of education and/or experience in the practice of geology, acceptable to the Board. Most, but not all, candidates must take the in-training exam. Both the FG and PG exams may be taken on the same day. Act registers engineers, land surveyors,

architects and geologists.

Experience: Eight years of combined education/experience

Examination: ASBOG®

First ASBOG® Exam: October 1992

Continuing Education: None

Grandfathering: Not given; Arizona has had registration for 40 years.

**Cooperative Licensure - (Comity/Reciprocity):** Allows for a Waiver of Examination for applicants who have been registered in another jurisdiction for at least 10 of the last 15 years for the PG examination and waiver of the FG for applicants who graduated for a Board approved college and have been practicing in the field of geology for at least 12 years after graduation.

**Registrant Count:** PGs: 961 GITs: 477
